

## **WARSAW – BASIC INFO**

### **HOW TO GET...?**

#### **\* From Warsaw – Chopin Airport to the city centre and to the University**

You can take a train or a bus run by ZTM (the Public Transport Authority of Warsaw: [www.ztm.waw.pl](http://www.ztm.waw.pl)).

The bus stop is located in front of the Terminal, very close to the "Arrivals" area. You can take bus No. 175 – if you want to get to the city centre, get off at the stop DW. CENTRALNY or CENTRUM. If you want to go directly to the University, get off at the stop UNIWERSYTET.

The railway station is located on the left of Terminal A (i.e. turn right when you leave the Terminal). At the railway station you can take the yellow-red train SKM (Rapid Urban Railway) – on this train the ZTM tickets are valid. If you want to get to the city centre, please get off at the station WARSZAWA ŚRÓDMIEŚCIE or WARSZAWA CENTRALNA. If you want to go directly to the University, please get off at the station WARSZAWA POWISŁE – there you have to change to bus No. 111 and get off at the stop UNIWERSYTET.

#### **How to buy a bus/train ticket?**

You can purchase a ticket at ZTM's ticket machines situated next to the bus stop or at the railway station. You can pay cash or with credit/debit card – please note that the ticket machines accept only Polish zloty. A single fare costs 4,40 PLN, but you can also buy a 24-hour or a 3-day City Travelcard – for more information about fares and prices please consult: <http://www.ztm.waw.pl/?c=110&l=2>.

You are required to validate your ticket immediately after boarding the vehicle.

#### **Taxi transfer**

We strongly advise you to use licensed taxi services offered at the Chopin Airport. Please note that the taxi fare table should be clearly displayed in the car's window. The taxi fare from the airport to the city centre is approximately PLN 40.

The Warsaw Chopin Airport recommends three taxi corporations: ELE SKY TAXI (+48 22 811 11 11), SUPER TAXI (+48 22 578 98 00), SAWA TAXI (+48 22 644 44 44).
